Other information:-

- Dressage times will be available from Barbara-Anne (01324 613948) or Dave (07759 612000) on **Thursday 10th May from 6.30 until 8.30 pm.**
- Coxhill is a working farm with approximately 20 livery horses. The livery horses are used to seeing Barbara-Anne driving Rhoss out and about so should not present any problems.
- Further hard-standing has been upgraded for parking so the event is not dependent on weather.
- Indoor arena is 65m x 25m. The surface of the school is great, even for small ponies.
- The dressage arena will be available for half an hour before the competition starts for anyone wanting to familiarise their horse with the arena.

Offers of help in organising and setting up this year would be much appreciated.

Budding course builders, stewards, scorers and organisers will be extremely welcome.
